Prophic Management

PUBLIC SECTOR ACCOUNTING · NEW JERSEY

Capability Statement

prophicmanagement.com

Prophic Management provides accounting and financial management support to New Jersey housing authorities, municipalities, counties, and local authorities. We keep books accurate, federal programs reconciled, and records audit-ready at a competitive, fixed fee.

CORE COMPETENCIES

Housing Authority Fee Accounting

HCV/Section 8 monthly close, general ledger and bank reconciliations, HAP and administrative fee tracking, VMS reporting support, board financial reports, year-end close and auditor support.

CDBG & Grant Program Accounting

Expenditure tracking by program year and activity, drawdown reconciliation to the general ledger, budget-to-actual reporting, documentation for monitoring and audit.

Municipal & Authority Accounting Support

Reconciliations, backlog catch-up and ledger cleanup, journal entries, AP/AR support, audit schedules.

Budgeting, Cost Allocation & Financial Review

Budget preparation support, budget-vs-actual reporting, cost allocation across programs and funds, financial reviews for boards and commissions.

Prime Contractor Teaming

Small-business finance and accounting subcontractor on state, county, and municipal contracts.

RELEVANT EXPERIENCE

- 10 years of accounting experience; managed two property portfolios, including a dedicated Section 8 portfolio and a ~60-building portfolio with Section 8 properties
- Monthly close, budgets, and budget-vs-actual reporting for institutional property owners
- HUD cost certifications and cost allocation across properties and tenants
- HUD Exchange training: Financial Management 201 (CDBG) and HCV Finance: VMS and Cash Management

DIFFERENTIATORS

Competitive pricing
Lean structure; fixed fees below larger firms.

Principal-led
The founder does the work and answers directly.

HUD program knowledge
Hands-on Section 8 and CDBG accounting background.

Flexible engagements
RFP awards, quotes, short-term and backlog projects.
